

## **The Importance of Following the Lamb**

*Revelation 14:1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.*

*2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps:*

*3 And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.*

*4 These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb.*

**Here we see a clear picture of the church of God of the evening time. This is the way the church should be now, for this is what Jesus will return for.**

**There surely can be quite a bit said about these few scriptures, but now let us look at verse 4. The scripture states that these called out ones would "follow the Lamb whithersoever he goeth". Is that the case for us today, is that where we find ourselves, or are we following something else?**

**Jesus tells us plainly that he is the "way, truth, and the life." If we are following anything else, then we are not following after truth, no matter how important or how much power it may seem to manifest, we could be misled. WE must be in truth to make Heaven.**

**The Bible tells us that in the end times many would be led astray from right and turn to fables. It seems that in many places truth has been replaced with ideas and opinions of men. My friend, this will not save or make anyone ready for heaven. Jesus said, it was truth that set men free, and also that would keep them free. We must have truth!**

**Pilate asked Jesus the question, "What is truth?" Jesus stated that he came to bear witness of the truth, and all that was of the truth would hear "his" voice. He also stated that he would go before his sheep and they would hear "his" voice and follow. The voice of another they could discern that it would not be their shepherd. May God help us to discern what truth is and what is just the philosophy of men, which will not bring about the eternal results that God so desires. If we have been born of God,**

**then there is something within us that is of God. We ought to be able to discern, with that which is within us, (the seed of God), what truth is and what is not.**

**There is a lot of preaching from carnal minds, this will not feed the sheep, only truth will fatten the sheep of God. May our souls so desire truth and nothing less. Study to show ourselves approved of God, rightly dividing the word of truth. May we always accept truth and not reject it in any form, for by truth we can make Heaven and have the peace of God keeping us in this life.**

**If we are going to be the real church of God in this day, we must only allow truth in our hearts. We are in a time where many are silent about the truth, thus bringing about a famine. This silence needs to be broken and only truth can break it. May God help us to get back to the Bible teaching on all issues.**

**What does God think? Settle it with Bible Truths!**
